REMARKS

Applicant has made a diligent effort to place the claims in condition for allowance. The amendments to the claims are believed to be not related to patentability. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Daniel B. Curtis, Applicants' Attorney at 408 873-4927 so that such issues may be resolved as expeditiously as possible.

Attached hereto is a marked-up version of the changes made to the claims by the current amendment. The attached page is captioned "Versions with Markings to Show Changes Made."

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully submitted,
